STATE OF MAINE

DEPARTMENT OF HEALTH AND WELFARE

AUGUSTA, MAINE 04330

Chairman

Board of Selectmen

Subject: Material for Town Report

Dear Sir:

During the year your community has been provided with the services of a public health nurse from the Division of Public Health Nursing, Department of Health and Welfare. A report of these services is enclosed. We know that many individuals in the town helped the nurse to carry out her program. We acknowledge with appreciation their co-operation and assistance.

Since July, 1966, some of the SSA Certified Home Health Agencies have expanded their services to the local communities serviced by our public health nurses. These home health agencies may be requesting your town to make an appropriation to insure availability of certified home health services to your residents. For these reasons, we have decided not to request an appropriation from your town for our public health nursing services for the 1970-71 fiscal year although, within our limits of funds and staff, we will continue to provide these services for which we have a particular responsibility.

Sincerely yours,

**DEAN FISHER, M. D.
Commissioner**

**ANNUAL REPORT OF
PUBLIC HEALTH NURSING SERVICES
IN GREENWOOD IN THE YEAR 1969**

Comprehensive health planning is the keynote today in the State Government and in local communities through citizen participation in order to develop comprehensive health services.

The major health problem found in the school examinations conducted in grades one and four was extensive dental cavities: three students were found to be needing immediate attention and one was found to have teeth in poor repair. While corrective dental clinics, if ever available to our community, would alleviate the pain and potential health hazards which are caused by dental problems, there is scientific proof that proper nutrition and medical supervision for expectant mothers does influence dental development and the health of the unborn child. Following birth the infant should receive the necessary foods to maintain good health in order to prevent illness and tooth decay. There is no mechanism in the tooth which leads to the repair of diseased areas. However, early visits to the dentist will not only cut down on medical expense but will, as a preventative measure, keep tooth decay at a minimum.

The attendance at the Child Health Conferences was less than half the number who attended conferences last year. Therefore, only one conference was held and those who needed to complete their series of immunizations attended two conferences held at Bryant Pond. A state wide survey made recently revealed that only sixty-six per cent of elementary grade children have received adequate polio vaccination. The number of children who received examinations and immunizations at Child Health Conferences and School Clinics in 1969 is shown in the following table.

	Number of children by age group			
Service rendered	Under 1 yr.	1-4 yrs. C.S.* B.**	5-19 yrs. C.S. B.	
Immunizations				
Diphtheria, whooping cough, tetanus	2	6	--	1
Diphtheria, tetanus	--	--	--	2 7
Measles	--	4	--	--
Poliomyelitis (Sabin) Oral	2	2	6	6 15
Smallpox	--	2	--	1 8
	Infant Preschool School			
Physical Examinations	2	11	17	
*C.S.—completed immunizations				
**B. —booster immunizations				

Two hundred six visits were made to or in behalf of individuals as compared to one hundred fifty-eight visits made in 1968. Nineteen of the one hundred one cases visited were new cases admitted to nursing service. Two students were referred to their family physician: one for hearing evaluation and one follow-up on an orthopedic condition. Four persons were referred to the Division of Child Health; two for hearing evaluations and two for orthopedic conditions.

Thirty-nine initial audiometric tests were done plus nine re-tests. A demonstration of the Titmus machine for visual screening was given to the school principals and to a group of volunteer workers. The public health nurse will re-test all students who failed on the screening tests, notify parents and do the follow-up on those who require additional assistance in obtaining medical services. There were five conferences held with school personnel for the purpose of program planning and nine teacher-nurse conferences regarding individual student health problems.

Appreciation is expressed to the physicians, town officials, school personnel, volunteer workers, local organizations and all others who have assisted in the public health nursing program.

Respectfully submitted,

VELMA M. SPENCER, R. N.
Public Health Nurse

**ANNUAL REPORT OF THE
ANDROSCOGGIN HOME HEALTH SERVICES
Incorporated
TO THE TOWN OF GREENWOOD, MAINE**

Throughout the region which embraces Androscoggin, Franklin, and Oxford counties, the program of health care sponsored by the Androscoggin Home Health Services, Inc. (A.H.H.S.) provided 22,500 visits to 624 patients in 1969. The vast majority of these visits were made by professional nursing personnel.

The Androscoggin Home Health Services, a private, non-profit corporation, based in Auburn, has been operative since early 1967. As the only Social Security Administration certified home health agency in the region, it provides Medicare reimbursable services including nursing, physical therapy, and where available manpower permit, occupational therapy, speech therapy, and the services of home health aides. All of these services are provided under the direction of, and in conjunction with each patient's private physician. The majority of recipients are persons 65 and over, but services are in no way limited to this age group.

A prime goal of home health services is to enable patients who are in need of regular part-time professional care to receive it at home when it can be appropriately administered there. For some patients the availability of this service enables them to return home from an institution sooner than might otherwise be possible. Thus there may be psychological as well as economic benefits for the patient and, for the institution, needed beds may be freed for those who are more acutely ill.

Among the programs which provide coverage for the cost of home health care, in addition to Medicare, are Medicaid (Title XIX), major medical insurance, and Old Age Assistance. Also providing financial assistance to selected

patients are such programs as those offered by the Veterans Administration, the Division of Vocational Rehabilitation, the Maine Multiple Sclerosis Society, and Blue Alliance. For persons who are not completely covered, or who are only partially covered, the agency charges a fee which is based on individual ability to pay. The policy is to deny services to no person due to inability to pay. Our ability to maintain this policy is insured, in part, by the financial support which has been made available to us in 1969 by the citizens of your community.

During 1969 the A.H.H.S. provided 90 professional nursing visits to 4 patients living in the Town of Greenwood. As we enter a new decade, we look forward to the continuing challenge of providing a meaningful program of home-delivered health care to persons in Greenwood, as well as throughout the tri-county region. As we move toward this goal, we look back in grateful appreciation to the support which Greenwood citizens rendered to us in 1969.

Sincerely submitted,

RICHARD H. HOOPER

REPORT OF FIRE WARDEN

During this past year there have been three chimney fires, two dump fires, and one house fire which had to be checked out. We were very fortunate this past summer in that there were no forest fires.

We have completed a great amount of work on the fire house. With the money raised by the town, donations by interested citizens of material and a great deal of free labor by the members of the department all this was possible.

The fire house will be open on town meeting night from 5:30 to 7:00 for those citizens who are interested in seeing the progress made.

Fire Warden

GREENWOOD LITTLE LEAGUE

In 1969, we bought fifteen (15) new uniforms for the team through generous donations from individuals, local businesses and industries. Many donations were derived from clubs and organizations.

Ekco Housewares	2 uniforms
Mothers Club	2 "
Lee's Variety	1 uniform
Hathaway's Country Store	1 "
Union Local #77	1 "
Jackson-Silver Post (American Legion)	1 "
Community Club	1 "
Ladies Circle	1 "
Jackson-Silver Post (American Legion Auxiliary)	1 "
Sunshine Center	1 "

Contributing also were: Norman Mills, Lee Abbott, Harold Nutting, proceeds from dinner put on by Community Club.

There were approximately thirty (30) boys from ages 7 through 13 years who played on the League and Farm team. Chuck Melville coached the farm team (boys from 7-10) and Herb Dunham and Harry Swan Jr. coached the older boys. The older boys played 15 league games and the farm team played several games. The cost of insurance for both teams came to \$45.00 The balance was put into equipment and field.

REPORT OF AUDITOR

C. R. WOODMAN

Public Accountant

Readfield, Maine
February 6, 1970

Board of Selectmen
Greenwood, Maine

Gentlemen:

In accordance with the provisions of Title 30, Section 5253 Revised Statutes of 1964, and at your request, the financial records of the Town of Greenwood have been audited for the municipal year ended December 31, 1969.

As required by statute, one copy of this report together with the audit procedural form prescribed by the state auditor for governmental audit in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the preceding year and included all procedures considered necessary.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the result of the financial operations of the Town for the period designated.

All of which is respectfully submitted.

C. R. WOODMAN

Public Accountant

COMMENTS

TOWN OF GREENWOOD

January 1, 1969 to December 31, 1969

An audit of the financial records maintained by the various Officers of the Town of Greenwood has been completed for the municipal year ended December 31, 1969.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following comments, exhibits and supporting schedules.

An analysis of the results of the year's operations showed that net balances credited to unappropriated surplus amounted to \$258.05 per the following summary:

Departmental balances

Unexpended	\$14,023.86
Overdrafts	(13,765.81)
	<hr/>
Net balances to surplus	\$ 258.05
	<hr/>

The principal factor contributing to net balances lapsed to general fund surplus was a balance of \$5,702.54 in the overlay account and an unexpended balance in excise tax receipts of \$5,019.02.

ASSETS . . . The General Fund cash balance of \$14,722.95 was reconciled with a statement furnished by Casco Bank and Trust Co., Bethel, Maine.

Accounts Receivable of \$3,529.97 consisted principally of balances due from the State of Maine for State Welfare and Town Road Improvement expenditures.

Taxes receivable of \$6,781.02 represented the uncollected balance of the 1969 commitments of \$6,741.54 and a balance of \$39.48 from 1968.

Tax liens amounted to \$650.73 at the year end, and included both mature and 1968 Tax liens.

LIABILITIES . . . Notes Payable reflected on the balance sheet under Debt Fund amounted to \$13,000.00 at the year end. In addition, a balance of \$12,000.00 of Tax anticipation notes were carried forward from 1969 and remained unpaid at the year end.

SURPLUS . . . Appropriations account balances carried forward to the ensuing year amounted to \$6,597.10, and represented departmental balances carried forward at the direction of the Selectmen.

The unappropriated surplus amounted to \$6,601.71 at the year end, a decrease of \$11,579.93 for the period. This decrease was occasioned principally by the transfer of \$11,065.18 to departmental accounts as voted at Town Meeting.

TRUST FUNDS . . . Trust funds totalling \$1,751.93 were turned over to the Town by the Mt. Abram Cemetery Association, after approval at the annual Town Meeting. It is suggested that an effort should be made to ascertain the amount of Trust Fund principals included in the funds received.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were utilized to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statement fairly present the financial position of the Town at December 31 1969, and the result of its operations for the year then ended.

PROPOSED REGULATIONS AS TO DOGS**(For action under Article 54 of Warrant)**

Sec. 1. DEFINITIONS—As used in this by-law, unless the context otherwise indicates,

(a) "Dog" shall be intended to mean both male and female.

(b) "Owner" shall be intended to mean any person or persons, firm, association or corporation owning, keeping, or harboring a dog.

(c) "At large" shall be intended to mean off the premises of the owner, and not under the control of the owner or a member of his immediate family either by lease, cord, chain or otherwise.

Sec. 2. RUNNING AT LARGE—No person shall cause or permit any dog owned or kept by him to run at large within the town limits. Dogs while on any public way or place shall be under restraint, within the meaning of this ordinance, if he is controlled by a leash, or at "heel", beside a competent person and obedient to that person's commands or on or within a vehicle being driven or parked on the streets, or within the property limits of its owner or keeper. Nothing in this ordinance shall be held to require the leashing of any dog while on private premises. A leash shall not be more than eight feet long.

It shall be prima facie evidence that the causing or permitting of a dog to run at large within the town limits was done by the owner of such dog.

Sec. 3. BITCH IN HEAT—The owner of any bitch in heat shall keep the same confined or on a leash at all times and shall not permit such dog to be at large within the town limits or on any premises other than those of the owner. Every bitch found running at large in violation hereof is hereby declared to be a public nuisance and shall be impounded and the owner, keeper, or person harboring such bitch shall be deemed guilty of a misdemeanor.

It shall be prima facie evidence that the causing or permitting of a bitch in heat to run at large within the town limits was done by the owner of such dog.

Sec. 4. IMPOUNDMENT — Dogs found running at large shall be taken up and impounded in a kennel designated by the town and there confined in a humane manner for a period of not less than fourteen days; and may thereafter be disposed of in a humane manner if not claimed by their owners.

The town or its duly authorized agent may transfer title of all animals held by it after the legal detention period has expired and the animal has not been claimed by its owner.

When dogs are found running at large and their ownership is known, such dogs need not be impounded but the town, through its duly authorized agents, may, at its discretion, cite the owners of such dogs to appear in court to answer charges of violation of this by-law.

The owner shall be entitled to resume possession of any impounded dog upon the payment of impoundment fees as set forth herein. Any other animal impounded under the provisions of this by-law may be reclaimed by the owner upon payment of the impoundment fees as set forth herein.

Any animal impounded under the provisions of this by-law and not reclaimed by its owner within fourteen days, may be humanely destroyed or placed in the custody of some person deemed to be a responsible and suitable owner, who will agree to comply with the provisions of this by-law.

Sec. 5. Impoundment Fees — Any animal impounded hereunder may be reclaimed as herein provided upon payment by the owner of the following fees:

(a) Impoundment fee of \$2 for each animal, except that upon the second impoundment the fee shall be \$5 and upon the third and all subsequent impoundments of the same animal the fee shall be \$10.

(b) Board in the amount of \$1 per day for each dog.

Sec. 6. NUMBER OF DOGS LIMITED — It shall be unlawful for any person or persons to keep or harbor within the town limits more than three dogs over six months old on April first in or about any premises occupied by any one family, and the keeping or harboring of dogs as aforesaid is hereby declared to be a nuisance.

The payment of a license or licenses on dogs shall not be construed to allow the keeping of more than three dogs, as aforesaid, on any one premises.

This limitation shall not apply to any person, group of persons, or corporations engaged in the commercial business of breeding, buying, selling, or boarding of dogs, or operating a veterinary hospital.

Sec. 7. BARKING OR HOWLING DOGS — No person shall own, keep or harbor any dog which by loud, frequent or habitual barking, howling, or yelping shall disturb the peace of any person or persons.

Sec. 8. RABIES — Upon positive diagnosis of rabies in any dog within the town, the Chairman of the Board of Selectmen shall proclaim and invoke a town-wide quarantine for a period of thirty days, and upon invoking of such quarantine no animal shall be taken into the streets, or be permitted to be in the streets, during such period of quarantine.

During such period of rabies quarantine as herein described, every animal bitten by an animal adjudged to be rabid shall be forthwith destroyed or, at the owner's expense and option, shall be treated for rabies infection by a licensed veterinarian, or held thirty days under quarantine by the owner in the same manner as other animals are quarantined.

In the event there are additional positive cases of rabies occurring during the period of the quarantine, such period of quarantine may be extended by the Chairman of the Board of Selectmen for an additional six months.

The carcass of any dead animal exposed to rabies shall upon demand be surrendered to the Health Officer.

The Health Officer shall direct the disposition of any animal found to be infected with rabies.

No person shall fail or refuse to surrender any animal for quarantine or destruction as required herein when demand is made therefore by the Health Officer.

Sec. 9. WHEN DOGS MAY BE KILLED — If any dangerous, fierce or vicious dog cannot be safely taken up and

impounded, such dog may be slain by any policeman or duly authorized animal control officer. In all cases where any dog which has bitten a person or caused an abrasion of the skin of any person, is slain by any policeman, whether by order of the court or otherwise, and a period of less than fifteen days has elapsed since the day on which such dog bit any person or caused an abrasion of the skin of any person, it shall be the duty of the policeman slaying such dog to forthwith deliver the carcass and brain to the Chief of Police who shall forward the brain intact to the Health Officer.

Sec. 10. PENALTY—Whoever keeps a dog contrary to the provisions of this by-law shall be punished by a fine of not more than \$20, to be recovered by Complaint before any District Court in the County where such owner or keeper resides.

COMMENTS FROM THE TOWN OFFICE

To the citizens of Greenwood:

The year 1969 has been an abnormal year. We have had an over abundance of snow and some heavy rains.

The snow removal costs have been very large and roads washed out by rain and high water have cut our surplus account to a dangerously low figure. Thus we are not recommending many accounts to be appropriated from that account.

The valuation was raised upward to keep in line with the state figures, which we expect will advance in the next two year period.

From all appearances it seems that S. A. D. #44 will demand a substantial amount more this year.

We have roads that will need repairing and culverts to replace that will need more money than has been raised in the past if they are to continue to be serviceable.

Sincerely,

EDWARD L. MILLS
